TROUGHS | FEEDLOTS

MCG HAVE A WIDE RANGE OF PRECAST CONCRETE TROUGHS & FEEDLOTS
They come in a range of sizes and styles to suit all from the largest dairy herd,
to the smallest lifestyle block and the family pets.

Oval & Round Trough Features

- Rounded top - to protect your stock
- Oval shape - enables you to place through fence thus one trough can supply 2 paddocks and more stock numbers
- Fully reinforced
- Impact resistant - High strength 55 Mpa concrete
- 25mm socket - to allow for high water flows - Ballcocks, valves, fittings, pipe etc. available
- Threaded socket in bottom of wall to allow for cleaning out the trough
- EXTRAS AVAILABLE - fully reinforced concrete Ballcock Protectors & Lids

CODE	LITRES	DIMENSIONS L x D x H	WEIGHT KGS	EX-YARD PRICE EXCL GST
